INFORMATION DISCLOSURE STATEMENT

Sir:

This is an Information Disclosure Statement filed in accordance with 37 CFR 1.98.

Attached is a Form PTO/SB/08 identifying each of the six (6) references cited in the International Search Report, copy enclosed, issued by the European Patent Office on July 16, 2004 in connection with the above-identified International application. It is noted that identified reference DE 44 35 448 A1 is also cited and discussed on page 1 of the present application

10/550142

No copy of any of these identified references cited in the International Search Report is enclosed since copies are presumed to already be in the file due to having been forwarded by the European Patent Office as a result of an existing treaty. However, if no such copies of the references are in the file and a copy of one or both of these references is desired, please request a copy of the desired reference from undersigned counsel and it will be supplied.

The attached Form PTO/SB/08 additionally identifies two (2) German references, which are cited and discussed on page 1 and page 2, respectively, of the present application where their relevancy is explained, and one (1) Japanese reference, which is cited on page 2 of the present application where its relevancy is explained. A copy of each of these three references with English-language abstracts is enclosed.

Since all requirements for the filing of Information Disclosure Statements have been complied with, it is requested that the Examiner consider all of the identified references and indicate such consideration by enclosing a properly initialed copy of the enclosed Form PTO/SB/08 with the initial Office Action.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
